Precision Payroll

We'll take care of your payroll,
leaving you free to run your business.

Outsourcing payroll to our highly trained experts removes the administrative burden and allows you to focus on managing and developing your business. Our dedicated payroll experts combine experience and technology to provide a fully managed and seamless service which ensures your employees are always paid accurately and on time.

Astria Payroll manages the payroll, pensions and CIS for over 300 clients.
Each month on average we...

Produce

5750

Payslips/subcontractor statements.
